

SPECIAL EVENT APPLICATION

Thank you for your interest in hosting your special event in Cripple Creek. Completion of the Special Event Application is the first step in the planning process to secure the necessary permits for your event. The City of Cripple Creek Special Event Application is administered by the Events Department, with oversight from the City Council. Applications are reviewed for appropriateness, merit, benefits to the community, and the event organizer's experience. Submission of an application does not guarantee permitting. The person whose name appears on the application is the only person the City will contact during the application process. For more information about the application process, click here for access to the Special Event Application Guide.

A permit is required to hold events such as festivals, parades, block parties, runs, walks, or sporting events on public right-of-way (City streets, sidewalks, alleys, or easements). Permits are also required to hold an outdoor public event on City-owned properties such as parks and trails. There is a permit fee of \$50 (Ord. 1995-21 1, Sec. 6-7-30) to be paid once the permit has been issued. Public or private events held on private property within the City limits, that have more than 10 attendees (Ord. 1995-21 1, Sec. 6-7-20), are also required to have a permit. A Special Event Application Hearing will be held for the event organizer and all appropriate City staff before a permit can be issued. Follow up meetings may be required if adjustments are necessary.

Special Event Applications are due at least 60 days prior to the event start date. Applications for use of parks for private events and events of less than 50 people are due at least 30 days prior to the event, if the event does NOT include a beer garden, road or sidewalk closure, or high-risk activities. For reservation of parks or City facilities for private use or small public events please complete a Parks & Recreational Facility Rental Permit (click here for the Parks & Rec Permit). A Special Event Application is not required however a fee may be charged.

Please complete all applicable sections of the Special Event Application. Incomplete, illegible, and/or unsigned applications will not be processed. An application check list has been provided below to assist you with the types of information REQUIRED to complete a Special Event Application. Information that is specific to your event may be added to the end of the application. Supplemental documents should be submitted to the Events Department. Delays in providing these documents impact the City's ability to review and approve applications in a timely manner.

INSURANCE

All Special Events are required to have Commercial General Liability Insurance that names the City of Cripple Creek, its elected and appointed officials, employees, and volunteers as Additionally Insured. The policy must be for a minimum of \$1,000,000. Premises/Operations and \$1,000,000 Products/Completed Operations with a General Aggregate and Products/Completed Operations Aggregate in the amount of \$1,000,000. The policy must be for a minimum limit of \$1,000,000 Personal & Advertising Injury. Additional insurance may be required dependent upon the event size and high-risk activities. Coverage must be maintained for the duration of the event including setup and tear down dates. Event insurance will be primary; any City insurance will be non-contributory.

Events that intend to serve or sell alcoholic beverages at any event must submit a Certificate of Insurance providing proof of a liquor legal liability insurance policy or property endorsed general liability policy. Events that hire a vendor to serve or sell alcoholic beverages, rather than providing the alcohol themselves, must submit a Certificate of Insurance

from the vendor providing proof of a liquor legal liability insurance policy or property endorsed general liability policy. The minimum acceptable limit of liability per claim and aggregate is \$1,000,000. This requirement applies to the business or group which serves or sells the alcohol.

CITY SPONSORSHIP

City sponsorship for Special Events can be requested by completing a Cripple Creek Special Event Funding Application. Funding is administered by the City Council with guidance from the Events Department. Funding is contingent on the approval of the City's annual budget. The deadline for submitting a Funding Application is the last business day of September the year proceeding your event. This allows ample time for review and inclusion into the City's annual budget. Your Special Event Application should be submitted along with your Funding Applications. Funding priority will be given to applications received by this deadline. Special Events may submit a Funding Application after the deadline, but funding cannot be guaranteed. All funding is contingent on City Council approval and funding availability. Denial, partial, or full funding is at the discretion of the City Council.

FIRST-TIMERS OR NEW EVENTS

Planning an event takes a considerable amount of time. It is suggested that first-time or new events initiate the planning process several months prior to the application deadline which is a minimum of 60 days prior to your event. Please contact the Event Department to assist you with your planning. Because every event is unique, it is important that you consult with the Event Department as soon as your plan starts developing. Large and/or first-time events need more time to plan than smaller or seasoned events.

A Special Event Application Guide is available for first-time or new event organizers. (click here for access to the Guide) The guide is designed to help provide you with additional information about planning an event. It is suggested that you contact the Event Department for assistance and support with the planning process. The Event Department cannot recommend one service provider over another or assist with vendor selection.

AFTER-ACTION REPORT

Event organizers will be scheduled for an After-Action Report Review within 30 days of the completion of their event. This meeting will be scheduled by the Event Department and will include applicable City departments to review the event and make suggestions or recommendations for future events. It is best if the event organizer has already held and after-action meeting with their organizing team prior to meeting with the City. This is an opportunity to review what went right and where there may be areas for improvement. It also provides a chance for the event organizer to give feedback to City staff.
